## Mobile Medical Units

**Mobile Clinics**

**Mobile Hospitals**

**Mobile Tent Hospitals**

**Mobile Semi-trailer Hospitals**

**Tectonic Energy Consulting Inc.** is pleased to announce that we have joined forces with the provider who has acquired the rights in North America to be the exclusive importer and distributor of [Zeppelin Mobile Systems](#) out of Germany.

This alliance allows **Tectonic Energy Consulting Inc.** to provide state of the art mobile medical units to many North American industrial markets from complex hospitals to quick emergency systems. All products have been subjected to extensive military and civilian tests... both simulated and under real conditions, with documented evidence of their robustness and reliability.

Medical shelter, tent systems and vehicle concepts are standardized basic systems ... developed as customer-specific partner systems or individual units.

Through selective room extensions the 10' and 20' shelter basis offers room for every medical application. From a independent... useable... individual shelter to a complex... mobile field hospital.

Products offered include:

- Mobile Clinics
- Mobile Hospitals
- Tent Hospitals
- Semi-trailer Hospitals

Thank you for taking the time to read the above information...we look forward to meeting with you to discuss your project requirements.
